## Askeli - Poros Island - Greece 2012

### Greek Islands Adventure Week - Poros Island Greece 2012

**Introduction:** Since 2007 we have been organizing this week specifically for new visitors to Greece. 2012 is now your opportunity to join us for a unique and fun packed week in Greece. The Greek Islands are one of the best locations in Europe for sea kayaking - providing breathtaking scenery and ideal protection from wind and waves. The Mediterranean has minimal tidal range and the water is clear and warm making it a perfect paddling destination. The Greek hospitality is great; English is spoken and understood and the Greek food is marvelous. The local area is also rich in culture and history; a perfect place for a memorable vacation for paddlers, non-paddlers and their friends. These weeks are limited to 12 guests per week. This vacation will be based at Odyssey Activity Centre, Poros Island, Trizinia, Greece.

**Hosts and Guides:** Your hosts and guides for this full week will be Brian Gibbons, Activities Director [Adventure Tourism Services UK] British Canoe Union certified Sea kayaking coach, and Katerina Sakelliou, manager of Odyssey Holiday Centre on Poros Island.
